May Results of the Elgin Middlesex Oxford Employer Survey

The Elgin Middlesex Oxford Local Training Board thanks the 42 employers who participated in our second monthly survey regarding their workforce. The survey regarding June employment will be distributed on July 6 and closed July 9. Here are highlights from the survey for May 2010.

34% employers were from the manufacturing sector, 42% from other services (except public administration) 12% from health care and social assistance.

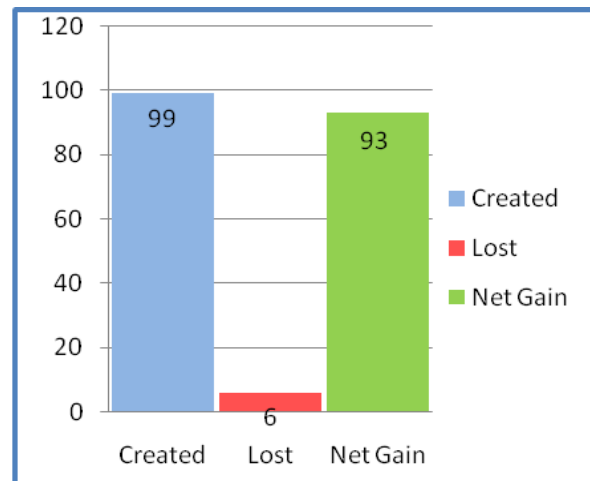

Of the employers who participated, 36% indicated their employment remained the same, while the other 64% either increased or decreased staff.

Overall Jobs Gained/Lost

The total number of positions added, both full and part-time, was 184, while the number of positions lost was 18, for a net gain of 166 jobs.

Manufacturing Jobs Gained/Lost

The number of manufacturing positions added, both full and part-time, was 99, while 6 jobs were lost, for a net gain of 93.

The following charts show a sample of the types of occupations added or lost:
