Counting Women In - A Toolkit for Rural Action on Poverty contains strategies and tools to make the issue of poverty more visible and to build hope for change. The toolkit is a resource to change attitudes and beliefs about rural women and poverty and to support action and change. For more information visit

www.endabusenow.ca

If you are interested in starting your own business, or want to grow your existing one, the Community Futures Development Corporation of Middlesex County's *Break Into Business Workshop Series* can give you the tools you need. Start planning for the future of your business today! \$15.00 per workshop or attend all 7 workshops for just \$90.00. www.thebusinesshelpcentre.ca

London Economic Development Corporation has launched a new *Materials Centre of Excellence* website, to provide an overview of companies who specialize in advanced materials, as well as research that is being undertaken at the University of Western Ontario, affiliated research institutes, Fanshawe College and the National Research Council. Visit www.materialscoe.com for more information.

Supplies for Students is a volunteer organization whose goal is to ensure every child in need starts the school year with a new backpack filled with school supplies. Operating in partnership with the Thames Valley Education Foundation, backpacks are given to the Thames Valley District School Board and London District Catholic School Board for distribution. To find drop off locations and for more information email suppliesforstudents@gmail.com

"Either write something worth reading or do something worth writing."
